

Memorandum of Understanding between ALE and ETF

Objectives

Work together and build future cooperation between ALE and ETF within the ETF Locomotive Drivers' Advisory Group to:

- Improve the railway safety culture, working conditions and training standards for train drivers.
- Build union power to further our joint objectives.

Status

For ALE delegates to attend as full participatory members of the ETF Locomotive Drivers' Advisory Group. Except in matters directly affecting internal ETF issues.

Meetings

To attend the ETF Locomotive Drivers' Advisory Group meetings with participation in sub-groups as agreed. Sharing of interpretation costs to be agreed.

Delegation

Maximum five ALE representatives. Further numbers to be agreed in advance with the Advisory Group Chair.

Agreement

This agreement comes into force 1st February 2020 and will be reviewed in May 2021. It ends automatically on 31st December 2021 if no prolongation or new cooperation agreement is agreed.

Communication

To communicate to our respective memberships and inform the wider railway community of our intentions.

Signed in two copies in Brussels on 13 February 2020.
